SWEDETOWN TRAILS - The Copper Country Ski Tigers season opens Saturday, January 6 at Swedetown Trails in Calumet, Mich. Youth aged 5-17 and their families gather every Saturday through mid-March (weather permitting) at 1 p.m. for an hour of fun Nordic ski touring, technique instruction and ski games, followed by apple juice upstairs in the Chalet. Ski Tigers are placed in groups according to ability, endurance and maturity, and ski with adult supervision on the groomed trail system. Skiers under age 7 must be accompanied by an adult. Tiger families should make a habit of arriving at least 20-30 minutes early in order to park, prepare equipment, get dressed for the conditions, *and be on skis and ready to go by 1 p.m.* Be sure to check all your equipment to make sure it fits and you know how to use it *before* January. It is important to wear several layers, including a wind shell, hat and mittens or gloves. The Chalet parking area is cold and windy, but skiers often warm up as they go and may want to loosen or remove layers during the day's activities.

Ski Jackets

Every year Ski Tigers uses part of the skier registration fee to provide each Ski Tiger with a useful apparel item for skiing and playing in the cold. This year each registered Ski Tiger will receive a Ski Tiger jacket.

Win an Iditarod Hat

Ski Tigers who complete two races in the Ski Tigers season earn the **coveted Iditarod Hat**. If you already earned an Iditarod Hat in a previous season, you are not eligible for a new hat (limit one per lifetime). Hats will be given out during the awards ceremony at the Finlandia University Pool Party - date to be announced.

TUESDAY TIGERS: Do you wish you could spend more time on skis? Are you interested in ski racing but still too young for the middle school/high school race team? If you like to ski the fastest trails, tuck the biggest hills, jump the bumpiest jumps and play the silliest games, then Tuesday Tigers may be for you!

Tuesday Tigers will meet once a week, after school (Tuesdays 4:15-5:30) and will alternate between Michigan Tech and Swedetown. This group does NOT take the place of your Saturday Ski Tiger session but is in addition to it. The main focus is fun! This is not a formal ski lesson or a race workout but is an opportunity to goof around on skis with other kids who like to ski. Although there is no age restriction for Tuesday Tigers, it is intended to be for those skiers who;

- were in RED or above last year
- are too young for the ms/hs team
- are proficient skaters
- can ski 5k-8k in an hour
- LOVES to ski-wants to be there

There is no charge for the program. For more information or to sign up, contact **Wendy Sharp**. 482-0902 or wsharp@pasty.net

Group Assignments

Ski Tigers are assigned to groups by the Senior Coaching Staff of the CCST Board of Directors, based on each skier's ability, skills, endurance, maturity and temperament. Coaches periodically evaluate skier progress and may move skiers to a different level at the discretion of the Coach Coordinator. Ski Group assignments, along with the coaches' contact information, will appear in the December *Tiger Tracks* newsletter.

Descriptions of each group level, including skills checklists, may be viewed at the **Nov. 18 Registration at Swedetown Chalet from 2-4 p.m.**, and coaches will be on hand then to talk to you about the groups and the upcoming season. Here is some basic information to help you understand the group system:

GREEN: Young beginners, accompanied by parents, learn the basics of ski technique, safety and etiquette, including how to put on skis, get up from falls, go up and down hills, and take short tours.

BLUE: Skiers improve their balance, confidence, endurance, diagonal stride, double poling, herringbone, snowplow, snowplow turn and step turn. **Classic skiing only (no skating).**

RED: Skiers continue skill development while skiing longer distances and perhaps incorporating a little skating technique by February.

YELLOW: Skiers cover longer distances at greater speeds while developing advanced aspects of Classic and Skating technique.

BRONZE: Skiers continue to improve upon advanced skills and techniques in preparation for advancement to Silver and Gold.

SILVER AND GOLD: All Ski Tigers are encouraged to try racing, but members of the Silver and Gold groups *focus on racing* by improving their strength, endurance and efficiency. These groups usually ski for 90 minutes or more on Saturdays. Skiers who move up from the Yellow group and like to ski fast and far, with an eye toward racing in middle/high school, will love Silver and Gold.

Ski Exchange Program

Beginning skiers may be interested in a ski exchange program offered by Cross Country Sports of Calumet. Purchase one new beginners ski package and for a nominal fee you may exchange the used equipment as the child grows. For more information contact Rick Oikarinen at Cross Country Sports, 337-4520.

Cross Country Sports will be sponsoring a club sale on Registration Day. Stop in to find out how you can save on equipment purchases.

Maasto Hihto

Skiers are reminded that Maasto Hihto will be groomed for skiing this year and it is open to the public for recreation.

Ski Tiger Handbook

A work in progress is the new Ski Tiger Handbook. Each Family will receive a free copy at registration. The handbooks will provide a program overview including mission statement and policies, important group contact information, helpful ski tips and equipment basics.

Parent Involvement Program

A major factor in the success of the Ski Tiger program is active parents. The program requires involvement and support from each of you to insure volunteer needs are met and the kids have a great experience. Each family is required to earn four points from the list below and only two of the points may be from the one point category. Sign up for duties at registration or by calling Deb Hart, Parent Involvement Program Coordinator after the Nov. 18th registration at 482-7534. No sign up via mail.
