

**Michigan Tech Trails & Recreational Forest
Temporary Job**

TITLE: Trail Assistant (temporary, part-time/shift varies)
DEPARTMENT: Sports & Recreation Operations
HOURLY RATE: Commensurate with experience
SUPERVISOR: Trail & Outdoor Adventure Manager

Assist with the University trail system and equipment.

Operate and maintain various trail equipment including grooming machines, snow mobiles, tractors, lawn mowers and chain saws.

Assist with improvements to the trail facilities: the Nordic waxing center, timing building, warm-up building, groomer storage building, and ski storage building.

Assist with updating trail system maps, brochures and signs.

Communicate with all stakeholders.

Perform duties with minimum supervision.

Successfully complete any required safety training.

Integrate safety practice into daily activities.

Experience with cross country skiing and mountain biking preferred.

Experience operating equipment with mechanical abilities desired.

Good interpersonal and communication skills required.
